

KATHERIN PANDEY

katherinpandey@gmail.com | +91 9153603412 | [LinkedIn](#) | Github | Leetcode | GFG

Summary

Aspiring Software Engineer specializing in AI and ML with a strong foundation in Data Structures & Algorithms, Java, Python and web technologies (HTML, CSS, JavaScript). Experienced in building database-driven applications using MySQL and applying machine learning libraries for data analysis and visualization. A proactive learner and team player with 200+ solved coding problems and hands-on project and hackathon experience.

Skills

Programming Languages: Java (DSA), Python, JavaScript, HTML, CSS

Frameworks & Libraries: NumPy, Pandas, Matplotlib, Seaborn

Databases & Tools: MySQL, Git, GitHub, Jupyter Notebook, Kaggle

Coursework: Data Structures, Problem Solving, OOPs, Operating System, Data Analytics, DBMS, Computer Networks, Software Engineering

Soft Skills: Teamwork, Communication, Leadership, Adaptability, Time Management

Education

B.Tech in **Computer Science and Engineering** (Specialization in **AI & ML**)

2023 – 2027

Galgotias College of Engineering and Technology - CGPA: 8.8(till date)

Greater Noida, India

Senior Secondary | Science (Physics, Chemistry, Mathematics)

2022 - 2023

V Pandey Memo Gyan Niketan School - Scored 94.67% in CBSE Boards

Daltonganj, India

High School

2020 - 2021

V Pandey Memo Gyan Niketan School- Scored 95% in CBSE Boards

Daltonganj, India

Projects

StayEase-A Comprehensive Web Solution for Guest House Booking & Billing Management

July 2024 - Aug 2025

Tech Stack: HTML, CSS, JavaScript

- Developed a responsive multi-page hotel booking website using HTML, CSS, and JavaScript
- Implemented features like hotel search/filter, booking flow, and user input forms
- Integrated date-time picker for check-in/check-out functionality
- Structured project using modular folders for scalability (images, CSS, JS)
- Deployed the application using GitHub Pages for live access

Aug2025 - Nov 2025

Certifications

Infosys | Springboard- Database Management System-Part 1

Top Performer – Tech Synergy Coding Contest | Tech Synergy | 2026

Certificate

Achievement.

- **Ranked-31** in SIH Prequalified 2025 at Galgotias College of Engineering and Technology - **SIH25**
- Secured **2nd position in Tech Synergy Coding Contest**, demonstrating strong problem-solving and DSA skills.
- **Competitive Programming:** Solved 300+ problems across Leetcode, GFG, Hackerrank, codechef.
- **3rd Rank** in CBSE Grade XII (District Level)(Awarded by H C Verma Sir)(Awarded by Dainik Jagran)
- **School Topper** (CBSE Grade X)
